Just left Sea View this morning. Such a fabulous vacation home! Thanks so much for sharing this wonderful property with renters. We love the house, and especially appreciate the cleanliness!! My personal favorite besides the kitchen is the swing on the front porch.

Had a wonderful week kicking off the 2015 season at Sea View. Don't have the opportunity to spend time with our children as they are in different cities in the US. Our visit was absolutely wonderful and having such a great facility to stay in such as Sea View was superb. We hope to return in future years.

Ed and Barbara, can't tell you what a good time we had, and how we enjoyed staying at Sea View. This was such a special occasion - our dad's 75th birthday - and we truly feel it was best celebrated right here! Many thanks for all memories we made this weekend!

Had a wonderful stay! What a difference in the house! WE stayed here in 2008 before any renovations. You did a beautiful job! We've been coming to York for over 20 years and this was by far the nicest house and location. Saw the biggest surf ever, this weekend. Just gorgeous! We were here celebrating our mom's 73rd birthday. Think it was her favorite birthday yet! Hope to be back next year.

Ed, the Cool family had a wonderful week here at your beautiful (and clean) home! The house was spacious enough for the 3 generations who were here for the week. We loved the short walks to both Short Sands and to Brown's for a cool treat. We had a relaxing and comfortable stay - could not ask for more! We look forward to returning the same week in summer 2015!

Can't decide what is the best part - early morning walks on the loop up to Nubble Light. Late afternoon with a cold beer or glass of wine and appetizers across the street by the water. Sitting on the porch swing with a good book. Watching the sun set over Short Sands. And then repeating it all. We had a great week with our family at the Sea View. Cant wait to come back!

Happy New Year! A wonderful winter vacation in Maine! Quiet and beautiful at the Nubble this time of year - there is still enough open to eat well and enjoy the area and the view is always the best on the East Coast!

We cannot say enough about the house - absolutely delightful! 4 bedrooms and plenty of space to relax. The modern kitchen and baths made the stay very comfortable while the amazing renovation job made us feel like we had stepped back in time - highly recommend the house in the off season - heat system is more than enough and the hot water was always available. So glad we found this place and Ed - it made for some cherished memories for our family!

Thank you so much for a great vacation. The views were amazing and the house was comfortable and cozy. Our little boy loved running around and playing in the yard and we loved enjoying the views while watching him. My parents also commented on how nicely the house was renovated. The details throughout the house are really impressive. We LOVED our trip to York, ME! Thank you again!

We were blown away with the beautiful remodel! We had a wonderful week here and really appreciate you making us feel "at home". Thank you for sharing this amazing place with us! We hope to stay here in the future! We'll miss Maine weather down in Texas! Thanks for everything!

Thank you so much for sharing this beautiful home with us! And our extended family... We had such a wonderful time. The renovations are amazing and were such a great surprise. We have always loved this house but the improvements made such a difference in our stay. Thank you for allowing us to host a family dinner in honor of our Gram who passed last year. Maine was her favorite place in the world and this property was the perfect place to get everyone together and make new memories. You really can't beat the house, the porch and the view. This is easily our favorite place to staying in Maine. You guys were so friendly and welcoming. We hope to see you again. Thank you so much.

Review #6508803 **"My favorite rental in Maine!"**

This property really is my favorite rental in Maine! The ocean view from the front porch is stunning and the porch comes in handy for the occasional rainy day. The huge front yard is perfect for bbq-ing and lawn games. We stayed here before and loved it so much we decided to return not knowing they were in the process of renovating. About a week before our stay, we got an email saying the renovations were complete. We were blown away! The kitchen and dining/living areas were enlarged and completely modernized and another bedroom was added downstairs. The upstairs bedrooms and bath had been updated too. Everything was clean and well maintained. I liked that linens were included. It was one less thing we had to pack. The kitchen has everything you need to prepare meals at home. The owner was very pleasant and easy to deal with. He promptly answered the many questions I emailed him in the months leading up to our stay. We got to meet him and his wife while we were there. They were so nice and friendly. It was a pleasure renting from them. They were so accommodating to all of our requests. At the end of our stay, I forgot to empty one of the dressers and they shipped everything back to us. Our security deposit was promptly refunded as well. The location is perfect too. It is a short, easy walk down to town (restaurants, shopping, the arcade & amusement park) and Short Sands Beach. Long Sands is a little further (maybe a mile) but we walked there one day too or we would park in one of the daily lots. My husband enjoyed walking across the road from the house and fishing off the rocks. I would highly recommend this place to anyone looking for a beautiful, comfortable home close to all area attractions. We have rented many houses in the area but I really do think this property is the best!

Review #6522878 "**Best vacation property you could imagine**"

We were so impressed with the home! It was truly a home away from home. We have stayed at other properties in York, and this home blows away all other vacation rentals. It is immaculate, has all the comforts of a real home and is newly renovated. The bathrooms and kitchen are modern, full size and make a huge difference for a traveling family. Ed and Barbara keep the home immaculate, well stocked with amenities and are very friendly. The front yard and porch are beautiful, and the short walk to the beach and town are picturesque. If we could, we would spend our entire summer at 51 Ocean Ave every year!

For the second year, our families spent a wonderful week in York, Maine. One Long Beach Properties are the best. This beautifully renovated home was spectacular and we couldn't have asked for better accommodations. We hope to continue staying here as a family tradition. Our 3 gorgeous grandchildren will have many special memories. We hope to add to our numbers as years pass! How excited we were to be the first family to spend a week here! With many thanks, Ed!
